H.490 An act relating to the regulation of commercial cultivation and sale of marijuana

<http://legislature.vermont.gov/assets/Documents/2018/Docs/BILLS/H-0490/H-0490%20As%20Introduced.pdf>

This bill proposes to establish an adult use commercial marijuana regulatory system. The Agency of Agriculture, Food and Markets would license cultivators, wholesalers, product manufacturers, retailers, and testing laboratories. The bill also establishes a structure for taxing commercial sales. It creates a wholesale tax equal to 15 percent of the wholesale sales price, a retail tax equal to 10 percent of the retail sales price, and a local tax of 2.5 percent of the retail sales price. The revenue from these taxes goes to pay for the regulation of marijuana sales, to the General Fund, and to the towns in which the sales are made. The act also allows marijuana cultivation cooperatives whereby up to 10 members may assign their right to grow marijuana to a co-op that will manage the cultivation. The marijuana cultivated at the co-op is for the members only.

H.511 An act relating to highway safety

<http://legislature.vermont.gov/assets/Documents/2018/Docs/BILLS/H-0511/H-0511%20As%20Introduced.pdf>

This bill proposes to:

- (1) subject a person who operates any vehicle the operation of which requires a school bus endorsement to the 0.02 blood alcohol limit that applies to persons operating a school bus;
- (2) make Vermont's implied consent statute consistent with the U.S. Supreme Court's decision in *Birchfield v. North Dakota* by providing that a warrant is required before a blood test can be given to a person suspected of DUI and that a person cannot be criminally prosecuted for refusing to submit to the blood test;
- (3) impose additional penalties for operating a vehicle under the influence of alcohol or drugs with a minor in the vehicle;
- (4) allow additional professionals to conduct an evidentiary blood draw, and allow a medical facility or business to charge an agency not more than \$75.00 for an evidentiary blood draw;
- (5) prohibit operation of a motor vehicle while possessing or operating under the influence of drugs for individuals under 21 years of age and imposing civil penalties for such a violation;
- (6) establish civil penalties for consuming marijuana or having an open container of marijuana while in an operating motor vehicle;
- (7) require that persons qualified to ride beside an individual operating a motor vehicle under a learner's permit not be under the influence of alcohol or drugs during such operation;
- (8) eliminate the requirement that a person who violates the adult seatbelt law be ticketed for the primary violation that gave rise to the traffic stop; and
- (9) make miscellaneous changes to a law governing the removal of vehicles from a highway under specified circumstances.
