H. 560 An act relating to traffic safety

<http://legislature.vermont.gov/assets/Documents/2016/Docs/BILLS/H-0560/H-0560%20As%20Introduced.pdf> This bill proposes to:

- (1) expand Vermont's DUI implied consent law in cases of a crash resulting in a fatality or serious bodily injury (SBI);
- (2) require operation under an ignition interlock restricted driver's license prior to eligibility for reinstatement of an operator's license or driving privilege following a DUI offense, make various amendments to the law governing civil DUI suspensions, and authorize the State to move for an order immobilizing the vehicle operated by a resident defendant during a DUI offense unless an ignition interlock device is installed;
- (3) amend the availability and the procedure for proving an innocent owner defense in a DUI-related immobilization or forfeiture proceeding;
- (4) limit the liability of liquor licensees or permittees and servers that make alcohol screening tests available to persons served alcohol;
- (5) create an enhanced penalty for negligent operation of a motor vehicle resulting in death or SBI;
- (6) amend various definitions that apply throughout Title 23 and add a new definition for "vehicle";
- (7) amend motor vehicle laws to clarify the obligation of motorists to yield the right of way to bicyclists and other vulnerable users in various circumstances;
- (8) authorize bicyclists to proceed within crosswalks and pursuant to pedestrian control signals while riding on their bicycles;
- (9) amend Vermont's law requiring safe passing of vulnerable users to specify distances to pass a vulnerable user safely, to specify that in a civil action an unexcused violation of the vulnerable user passing law is negligence in itself, and to create a criminal penalty for a violation resulting in death or injury to a person other than the operator;
- (10) specify that bicyclists generally must ride as near to the right side of the highway as is safe and elaborate on an exception to this general rule;
- (11) authorize bicyclists to lane split with motor vehicles moving in the same direction under specific circumstances; and
- (12) authorize municipalities to establish speed limits on town highways that are lower than 25 miles per hour.

Introduced by Representatives Jewett of Ripton, Burke of Brattleboro, Conquest of Newbury, Frank of Underhill, Grad of Moretown, LaLonde of South Burlington, Martel of Waterford, McCormack of Burlington, McCullough of Williston, Nuovo of Middlebury, and Rachelson of Burlington. **MOVED FROM TRANSPORTATION TO JUDICIARY 2/16/16**

S. 241 An act relating to personal possession and cultivation of cannabis and the regulation of commercial cannabis establishments

<http://legislature.vermont.gov/assets/Documents/2016/Docs/BILLS/S-0241/S-0241%20As%20Introduced.pdf> This bill proposes to:

1. Permit a person who is 21 years of age or older to possess and cultivate limited amounts of cannabis for personal use; establish civil penalties for possession and cultivation above the limits; and criminal penalties for unauthorized dispensing or sale of cannabis.
 2. Provide civil penalties for a person who is under 21 years of age who possesses cannabis or attempts to procure cannabis from a registered cannabis establishment and criminal penalties for a person who furnishes or sells cannabis to a person who is under years of age.
 3. Establish a Cannabis Control Board within the Department of Public Safety. The Board would be responsible for rulemaking, administration, and enforcement concerning registered commercial cannabis establishments.
 4. Establish a regulatory structure for commercial cannabis, including six types of cannabis establishments that may be registered to operate in this State: cannabis cultivator; cannabis transporter; cannabis-infused product manufacturer; cannabis testing laboratory; cannabis retailer; and cannabis lounge.
 5. Permit commercial manufacture and sale of cannabis-infused products that are intended for topical use only and that are nonedible, while directing further study of commercial production and sale of edible cannabis products.
 6. Permit municipalities to regulate or prohibit cannabis establishments, but not personal possession and cultivation.
 7. Prohibit consumption of cannabis in a public place and any other location in which smoking a tobacco product is prohibited.
 8. Establish a fund for depositing all monies collected by the State related to commercial cannabis establishments and allocate monies first toward implementation, administration, and enforcement of the act and youth access prevention and education.
 9. Establish the temporary Cannabis Program Review Commission for the purpose of facilitating efficient and lawful implementation of this act and making recommendations to the General Assembly and the Governor concerning issues such as drugged driving and advisability of permitting the manufacture and sale of edible cannabis products.
- Introduced by Senators White and Benning. <http://legislature.vermont.gov/assets/Documents/2016/Docs/BILLS/H-0526/H-0526%20As%20Introduced.pdf> This bill proposes to limit Liquor Control Board members to no more than two consecutive five-year terms; to provide for the appointment of the Commissioner of Liquor Control by the Governor from a pool of candidates proposed by the Liquor Control Board; and to direct Legislative Council, in consultation with the Board, Department, and Attorney General, to prepare a draft bill that would reorganize and clarify the statutory provisions of Title 7. Introduced by Representatives Stevens of Waterbury and Ancel of Calais. **IN GENERAL, HOUSING AND MILITARY AFFAIRS.**

H. 560 An act relating to traffic safety

<http://legislature.vermont.gov/assets/Documents/2016/Docs/BILLS/H-0560/H-0560%20As%20Introduced.pdf> This bill proposes to:

- (1) expand Vermont's DUI implied consent law in cases of a crash resulting in a fatality or serious bodily injury (SBI);
- (2) require operation under an ignition interlock restricted driver's license prior to eligibility for reinstatement of an operator's license or driving privilege following a DUI offense, make various amendments to the law governing civil DUI suspensions, and authorize the State to move for an order immobilizing the vehicle operated by a resident defendant during a DUI offense unless an ignition interlock device is installed;
- (3) amend the availability and the procedure for proving an innocent owner defense in a DUI-related immobilization or forfeiture proceeding;
- (4) limit the liability of liquor licensees or permittees and servers that make alcohol screening tests available to persons served alcohol;
- (5) create an enhanced penalty for negligent operation of a motor vehicle resulting in death or SBI;
- (6) amend various definitions that apply throughout Title 23 and add a new definition for "vehicle";
- (7) amend motor vehicle laws to clarify the obligation of motorists to yield the right of way to bicyclists and other vulnerable users in various circumstances;
- (8) authorize bicyclists to proceed within crosswalks and pursuant to pedestrian control signals while riding on their bicycles;
- (9) amend Vermont's law requiring safe passing of vulnerable users to specify distances to pass a vulnerable user safely, to specify that in a civil action an unexcused violation of the vulnerable user passing law is negligence in itself, and to create a criminal penalty for a violation resulting in death or

injury to a person other than the operator;

(10) specify that bicyclists generally must ride as near to the right side of the highway as is safe and elaborate on an exception to this general rule;

(11) authorize bicyclists to lane split with motor vehicles moving in the same direction under specific circumstances; and

(12) authorize municipalities to establish speed limits on town highways that are lower than 25 miles per hour.

<http://legislature.vermont.gov/assets/Documents/2016/Docs/BILLS/S-0241/S-0241%20As%20Introduced.pdf>

This bill proposes to:

1. Permit a person who is 21 years of age or older to possess and cultivate limited amounts of cannabis for personal use; establish civil penalties for possession and cultivation above the limits; and criminal penalties for unauthorized dispensing or sale of cannabis.
2. Provide civil penalties for a person who is under 21 years of age who possesses cannabis or attempts to procure cannabis from a registered cannabis establishment and criminal penalties for a person who furnishes or sells cannabis to a person who is under years of age.
3. Establish a Cannabis Control Board within the Department of Public Safety. The Board would be responsible for rulemaking, administration, and enforcement concerning registered commercial cannabis establishments.
4. Establish a regulatory structure for commercial cannabis, including six types of cannabis establishments that may be registered to operate in this State: cannabis cultivator; cannabis transporter; cannabis-infused product manufacturer; cannabis testing laboratory; cannabis retailer; and cannabis lounge.
5. Permit commercial manufacture and sale of cannabis-infused products that are intended for topical use only and that are nonedible, while directing further study of commercial production and sale of edible cannabis products.
6. Permit municipalities to regulate or prohibit cannabis establishments, but not personal possession and cultivation.
7. Prohibit consumption of cannabis in a public place and any other location in which smoking a tobacco product is prohibited.
8. Establish a fund for depositing all monies collected by the State related to commercial cannabis establishments and allocate monies first toward implementation, administration, and enforcement of the act and youth access prevention and education.

9. Establish the temporary Cannabis Program Review Commission for the purpose of facilitating efficient and lawful implementation of this act and making recommendations to the General Assembly and the Governor concerning issues such as drugged driving and advisability of permitting the manufacture and sale of edible cannabis products.
